The Crawford

TWO-STORY
3077 SQ FT

3 Bedrooms
2 Full Baths, 1 Half Bath
Den/Optional 4th Bedroom
Optional Front Porch

Overview: This two-story home was given a more rustic look by adding wood siding instead of the traditional vinyl. The bump out of the living room and bedroom gives it charm and curb appeal. The 2nd floor laundry could be removed allowing for more storage space.

Notes: All floor plans can be customized to fit your needs. We design and construct the modular to your specifications.

Elevations may include additional builder construction such as porches, garages, decks, etc.
