The Mahoning is a beautiful cape cod set on the Allegheny River. It is a sight to be seen. The clients paid close attention to the details, and it clearly shows through the selection of products and materials such as the elaborate stonework, the living room window layout, and stunning staircase.

With five guestrooms and a spectacular master bedroom, this home provides a weekend getaway for family and friends. The kitchen and dining rooms, along with the magnificent living room allow for one to relax and enjoy.
