CUSTOM MODULAR HOMES

BUILDING A BETTER WAY

www.smihomes.com

INNOVATION FOR TODAY'S
HOMEOWNERS

Structural Modulars, Inc. (SMI) wants to build you the home of your dreams. With over 30 years of custom modular construction, SMI is a proven leader in the building industry. Building to stricter regulations than on-site built homes, our homes are optimized for today's modern lifestyles. With improved quality and better standard products, an SMI home is the right choice for you.
