

Structural Modular Innovations, LLC
PO Box 315
101 Southern Ave.
Strattanville, PA 16258

January 2, 2026

Attention: Pennsylvania Home Builders

This letter is a reminder to our Pennsylvania builders that the attached Air Barrier and Insulation Inspection Checklist must be completed and returned to Structural Modular Innovations to receive carrier deposit reimbursement. This is a requirement by the Commonwealth of Pennsylvania and must be present with paperwork for each house sold in the event Structural Modular Innovations is audited.

This form can be found in your builder packet for each home sold in the Commonwealth of Pennsylvania. Returning this form in a timely manner not only satisfies a requirement by the state, but also initiates payment for carrier deposit reimbursement in our accounts payable department.

Structural Modular Innovations understands additional paperwork can be an unwanted burden on a business and the last thing we want to do is put more work on your plate, but unfortunately this paperwork is a requirement and needs to be returned.
Thank you in advance for your continued assistance in this manner.

Sincerely,
Joel F. German
Sales Manager
