Building your new home is an exciting journey — and we're here to make it even more inspiring! Browse the quality products that come standard in all of our floor plans. We've included links to trusted vendors' websites so you can discover even more design ideas and inspiration.

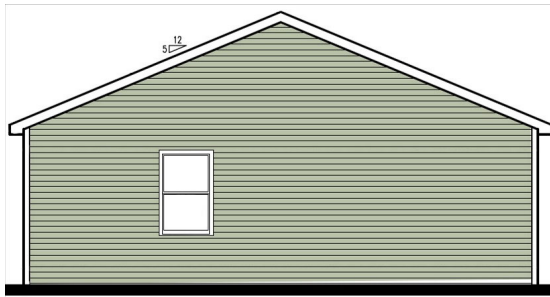

If you have questions regarding your selections or need assistance, your builder and our sales team are here to help. You will find that your builder comes with a wealth of knowledge and they will be more than happy to share it with you.

Happy Building!

Thank you for choosing Structural Modular Innovations LLC
for your new home.
